

Minor Enrollments

Fall 2012- Fall 2014

This report provides total counts of minors by college and program for Fall 2012, Fall 2013, and Fall 2014. The counts are based on student data that were frozen during the fall student enrollment freeze. The totals are term-based and account for all minors for which a student is registered. For example, if one student holds two minors, both minors are counted to reflect the total count of minors. University totals are provided below, followed by college and program totals in the subsequent pages of the report.

Additionally, interest in the number of students with majors and minors in the same college led to further breakdowns for each college. In each of the subsequent pages, enrollments in minors for each college are disaggregated by students that have any major in the same college and those who do not. For example, if a student has a minor in the College of Arts and Humanities (ARHU) and any major in ARHU (primary major, double major, double degree, or departmental affiliate), that student is counted in the category of "Any ARHU Major." Likewise, if a student has a minor in ARHU and two majors in ARHU and the College of Behavioral and Social Sciences (BSOS), that student still is counted in the category of "Any ARHU Major." However, if a student has a minor in ARHU and one or more majors in colleges outside of ARHU only, that student is counted in the category of "No ARHU Major."
